To use our ring sizer, please follow these steps:

1. Print this page in 100%.

2. Check the scale by measuring our logo.

3. Cut out the ring sizer.

4. Cut a slot in the sizer on the dotted line.

5. Roll-up the ring sizer with the numbers on the outside.

6. Pass the end of the sizer through the slot.

7. Pull on the tab until the ring sizer fits your finger
   tightly and comfortably.

8. Read your measurement.

BAUNAT

On this example, the measurement is 60:
